

Tematické okruhy k MZ z ANJ (strojírenství)

- 1 **Great Britain** – geography, cities, places of interest, politics + **Metal-forming processes**
- 2 **London** – location, sights, technical sights, museums, etc. + **Heat treatment**
- 3 **New York and Washington** - location, sights, etc. + **Production in mechanical engineering**
- 4 **Canada** – geography, cities, places of interest, ect. + **Conveyors**
- 5 **USA** - geography, cities, places of interest, etc. + **USA – technical sights, industry, famous factories and companies**
- 6 **Australia and New Zealand** - geography, cities, places of interest + **Materials used in engineering**
- 7 **Shopping and services** – types of shops and services, methods of payment + **Gears**
- 8 **Czech Republic** - geography, cities, places of interest + **CR – industry, famous factories and companies, technical sights**
- 9 **Olomouc and Olomouc region** - geography, cities, places of interest etc. + **Machining**
- 10 **Prague** - location, sights, technical sights, museums, etc. + **Metal-joining processes**
- 11 **My living place** – type of living places, housing constructions, equipment
- 12 **Health, healthy lifestyle** – food, diets, types of doctors, medical equipment, medical technology
- 13 **Sports** – my hobbies, (un)healthy activities, equipment, materials, measuring instruments
- 14 **My life** – family, free time, daily routine, gadgets, workshop, tools
- 15 **Traveling** – means of transport, (un)safe ways of traveling, history, materials
- 16 **Personalities** – characteristics, appearance, inventors, especially of 20th and 21st century
- 17 **Computers** – history, usage, parts, applications, future
- 18 **Education in the Czech Republic** – types of schools, my school, workshops
- 19 **Jobs** – future career, ideal job, career in engineering, production
- 20 **Environment and global problems** – types of problems, global warming, solutions

Sestavila: Mgr. Bc. Jana Kameníčková, schválila předmětová komise

Dokument byl schválen ředitelem školy Mgr. K. Neumannem
