

Cholmondeley Castle

Gardens

- **Visit the romantic castle by the lake - a product of the early 19th century. It is surrounded by sweeping lawns and a variety of trees, including cedars of Lebanon, oaks, and chestnuts.**
- **Go for a walk to the gardens behind the castle which provide a lovely mix of colour. In the centre you can see a beautiful lake. There is a temple water garden and a rose garden. Plantings provide colour at all times of the year.**
- **Don't miss a children's play area, a picnic site, farm animals including llamas and African pygmy goats and an aviary with many varieties of birds.**
- **Visit also a farm shop which is located 10 minutes from the castle gardens exit. It offers a wide range of locally-produced food.**

The Gardens are open every day from 11.00 am to 5.00 pm.

Don't miss Springfest which starts on Sunday 17th March 2013!
